

**PSAC Meeting Minutes**  
**August 10, 2004**

Present: Cindy Stokes, Bob King, Cindy Palumbo, Dane LeBlanc, Tim Ruden,  
Drew Weidman, Teri Wood-Slaughter, Vicki Gorrell

Excused: Nancy Collinwood, Jennifer Evans

Minutes were approved for July 13, 2004.

Discussion of 4-day work-week in the summer. How do other schools accomplish this and what is the savings to the University. We need to discuss this with our constituents from the other schools that are doing this.

We discussed getting handbooks and email lists for new members.

Cindy P. mentioned that she was not able to connect to the UHESA web site. We probably need to set up the link. She also wondered how people know about the \$45.00 charge for Pilates classes? It has been advertised on the web. Tim said the charge is due to budget constraints. She also mentioned coordinated benefits for couples working at the University. Vickie said that the Medical Benefits Committee is still looking into it. Cindy asked if we had any issues from last year that we are still working on. WE discussed the 4-day work week.

Tim is going to get with Shelley on the PSAC web site and bring it up to date until Jennifer gets back.

How many professional employees are out at the Davis Campus and should they have a representative within PSAC?

Vickie brought up the article about beautifying the campus. "How can we use money for this project instead of building new buildings." She said that budgets are separate and cannot be mixed or used for other things. She wanted us to be informed in case we were asked about it.

Lampros will have an Open House on August 23, 2004 at 2:30 p.m.

Cindy P. motioned to adjourn, Woodie 2<sup>nd</sup>.
